**THIS SHOW IS  
DEDICATED IN  
THE MEMORY OF  
SHARON WATSON**

Sharon and Hagar Watson with their first two  
Champions Circa 1965.  
Afghan Ch. Holly Hill Witch Hazel  
Italian Greyhound Ch. Hound Well Nita Derobe

Sharon Watson was the first Search Engine before we knew what that was. Anything and everything related to the Afghan Hound could be accessed by merely asking Sharon for the information. Her record keeping precision was the "Right Stuff" that many of us envy.

In the late 1980's when Duane ( Butherus ) was on the AHCA Board he presented the idea of a futurity type event to them. Bud Ledbetter was President at the time and the Board approved going forward. I remember Bud proclaiming the " AHCA has a futurity at last! " Sharon was the logical person to be involved in the establishment of the new event. Sharon was the first Show Secretary and together they came up with the idea of including pedigrees in the catalog. Protocols were gathered from other Parent Clubs for the futurity policies and procedures and the AHCA procedures were then developed. It was termed the Breeders Cup. The rest is history.

Sharon was the glue that held those first few years together as the Breeders Cup moved around the country with new chairs at each new venue. Her record keeping skill, adherence to process and attention to detail kept everything on track and going forward.

She also served as the Recording Secretary for the AHCA for several terms. In her usual style everything was accomplished with precision and competence. Sharon was also Editor of Topknots' News for a number of years, always keeping us up to date on statistics. Her archives of breed information on index cards with pedigrees, show wins etc. is legendary. A priceless collection and a labor of breed love to be sure.
