**INTRODUCING OUR
BREEDERS' CUP
JUDGE:
JOANN JONES**

The Jovan Bio is very touching and hard for me. So many memories Starting from 1968, so many tears also from all loved and lost friends and Afghan Hounds from the past.

Jovan has bred over 40+ Champions and co-bred with Dianne Dyson and David Beauregard two Top Producing males, MSBIS CH. Myriad Not a Cloud "Sundance" and MSBIS CH. Jovan Cruise Control "Jag" Top Producing Sire 2012. Two wonderful males that have impacted the breed.

As a Breeder I would like to mention my mentors in my life Shirle Maine's Jedashi, Wally Pede Sheherezade and John Roger MortonJorogz (best Friend). As a Breeder I want to mention my quality of bitches I bred.

Producing the Standard, and Style of Jovan.

Australia breeder Terry and Ada Wilcox imported MSBIS Jovan Cruise Control semen for 2 litters.

This produced Top Winning BIS Alaquadar Rigaletto "Riggs" and #1in Australia for a time. I have Goosebumps every time I see his movement.

I have as a older, mature woman have "A Bucket List".

First to Judge the Breeders Cup.

Thank you for a Dream come true.I wish the number of litters were those of my earlier years of the 60,70,80 and 90's.

I was so lucky to have seen and put my hands on lovely Afghan Hounds.

As I close this Bio I want to thank you for the pleasure of judging your youngsters. Please let them have Fun and Show off the Spirit of the entertaining clowns we all LOVE, the wonderful Afghan Hound.

JoAnn Jovan
