Note: A copy of the certificate awarding the title or a copy of the ENTIRE PAGE from either the AKC Gazette or FAN magazine publishing the title will be accepted as proof. Dogs will not be entered into this class without proof of title accompanying the entry form. *The first place Winner, if undefeated in the show, is eligible to compete for Best of Breed Competition.* Judging of this class will commence immediately following Winners Dog/Winners Bitch.

BEST OF BREED COMPETITION

BEST PUPPY/BEST BRED BY EXHIBITOR

As the judge's decision in the Stud Dog, Brood Bitch & Brace classes will be based on the merits of more than one dog or bitch, none of the dogs or bitches making up the entry judged first in the class will be eligible for Best of Breed by virtue of having won these classes.

Stud Dog Class – For Stud Dogs and two to four of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered separately in one of the Regular or Non-Regular Classes or if a Champion of Record, for Best of Breed Competition or may be entered for Stud Dog Class only at the regular entry fee. The Get **MUST** be entered in one of the Regular Classes. The Stud Dog unit shall be considered as one entry and requires only one entry fee. The Stud Dog must be entered in the Stud Dog Class and shown in the ring with his Get. Get only to be judged on the merits of the Get. While the merits of the Stud dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show rules, AKC policy or the standard for the Breed.

Brood Bitch Class – Same as Stud Dog Class except substitute Brood Bitch for Stud Dog and Produce for Get.

Brace Class – Effective January 1, 2005. A Brace is defined as two dogs of the same recognized breed that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner. The dogs comprising a Brace **MUST** be named at the time of entry. If a dog which is to be part of a Brace is not entered in another class it must be entered for "Brace Class Only". In making entries for "Brace Class Only" full particulars must be given for each dog on individual regular entry forms. An entry form for a dog entered in another class and entered as part of a Brace **MUST** be marked accordingly in the space provided for Additional Classes "Brace Class". If more than one Brace is entered by the same owner, the dogs comprising EACH Brace unit must be so designated "Brace NO. 1", "Brace No. 2", etc. **PLEASE SUBMIT BRACE ENTRIES TOGETHER.**

AKC National Owner-Handled Series

(Remember to check the box near the bottom of the entry form)

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

All dogs that are owner-handled and are not solely owned or exhibited by professional handlers* meet the requirements for this competition. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form.

Eligible dogs will be identified by an asterisk in the steward's book & the catalog. **Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers, household members and current assistants** to professional handlers may not exhibit the dog in this competition.**

Owner-Handled Best of Breed/Variety will be selected from the dogs that are eligible to compete in the Best of Breed/Variety competition including Winners Dog, Winners Bitch and undefeated winners of the non-regular classes.

This excludes all dogs defeated during class and winners competition for the regular show.

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed/Variety and be eligible to compete in both the regular as well as the Owner-Handled group.
- If the Best of Breed/Variety winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed/Variety is eligible, the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed/Variety. If neither the Best of Breed/Variety nor the Best of Opposite Sex to Best of Breed/Variety are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
- If the regular show Best of Breed/Variety, Best of Opposite Sex to Best of Breed/Variety, Select Dog & Select Bitch are not eligible, the judge may choose any eligible dog who competed in Best of Breed/Variety including Winners Dog or Winners Bitch as the Best of Breed/Variety for the AKC National Owner-Handled Series.
- If the Best of Winners is eligible, the other Winners are ineligible since it was defeated.
- No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring. The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed/Variety or in Best of Winners competition.

****Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.***

*****A current assistant is defined as anyone employed by a professional handler on a full-time basis, or, assisting a professional handler at the show or any show during the cluster/weekend.***
