

The plans for the 2012 Breeders' Cup are well on the way and we are looking forward to a wonderful show. As many of you know; two generous offers of \$500/each will be a bonus given to the Breeder of record of the winner of the Breeders' Cup, if both parents have a CHIC number. After this year, CHIC will be required for entry. The date promises to be a fun time. The hotel has a grassy courtyard with patios; a perfect setting.

On a serious note, the Breeder's Cup is completely self funded. Any monies that would happen to be in excess are used to help fund that year's national health clinics. This year we had a complete CHIC clinic including eye exams, thyroid testing (at a fraction of the regular cost) and off site hip x-rays. For this reason I am asking for any and all donations you may wish to make toward the Breeders' Cup. I know that this is a different economic climate, however, this is the one time we showcase our young dogs and we need your support. For your convenience a self addressed envelope is included.

Thank you,

Eileen Laudermilch
