James P. Crowley, Secretary

OFFICIAL STANDARD OF THE AFGHAN HOUND

GENERAL APPEARANCE: The Afghan Hound is an aristocrat, his whole appearance one of dignity and aloofness with no trace of plainness or coarseness. He has a straight front, proudly carried head, eyes gazing into the distance as if in memory of ages past. The striking characteristics of the breed “exotic” or “eastern” expression, long, silky topknot, peculiar coat pattern, very prominent hipbones, large feet, and the impression of a somewhat exaggerated bend in the stifle due to profuse trousering, stand out clearly, giving the Afghan Hound the appearance of what he is, a king of dogs, that has held true to the tradition throughout the ages.

HEAD: The head is of good length, showing much refinement, the skull evenly balanced with the foreface. There is a slight prominence of the nasal bone structure causing slightly Roman appearance, the center line running up over the foreface with little or no stop, falling away in front of the eyes so there is an absolutely clear outlook with no interference. The underjaw showing great strength, the jaws long and punishing, the mouth level, meaning the teeth from the upper jaw and the lower jaw match evenly, neither overshot or undershot. This is a difficult mouth to breed. A scissor bite, where the lower teeth slip inside and rest against the teeth of the upper jaw should not be penalized. The occipital bone is prominent. The head is surmounted by a topknot of long, silky hair. The ears are long, set approximately on level with outer corners of the eyes, the leather of the ear reaching nearly to the end of the dog’s nose, and covered with long silky hair. The eyes are almond-shaped (almost triangular), never full or bulgy, and are dark in color. The nose is of good size, black in color. **FAULTS:** Coarseness, snippiness, overshot or undershot, eyes round or bulgy or light in color, exaggerated Roman nose, head not surmounted with topknot.

NECK: The neck is of good length, strong and arched, running in a curve to the shoulders which are long and sloping and well laid back. **FAULTS:** Neck too short or too thick, a ewe neck, a goose neck, a neck lacking in substance.

BODY: The backline appearing practically level from the shoulders to the loin. Strong and powerful loin and slightly arched, falling away towards the stern, with the hip bones very pronounced, well ribbed and tucked up in the flanks. The height at the shoulders equals the distance from the chest to the buttocks, the brisket well let down and of medium width. **FAULTS:** Roach or sway back or goose rump, slack loin, lack of prominence of hip bones, too much width of brisket, causing interference with elbows.

TAIL: Tail set not too high on the body, having a ring or curve on the end, should never be curled over or rest on the back, or carried sideways and should never be bushy.

(continued inside back cover.)

Best in Sweepstakes	Rosette and Original Artwork
Best of Opposite Sex to BIS.	Rosette and Original Artwork

SATURDAY SWEEPSTAKES JUDGE

CYNTHIA BYINGTON

I acquired my first Afghan Hound, Shanbar, in 1994. I fell in love with him and the breed from the moment I saw him. Little did I know at the time what an impact he would have on my life, I purchased my first show dog a few years later- CH. Myriah's Spirit of Al Sirat JC. "Treekla" was my heart dog and my first Champion. Sirae` has 17 home bred Champions now, 21 total Champions, with several others just single points from finishing their Titles, 3 Specialty Best in Show Winners, all produced by MSBIS Producer CH Kasban Sirae` Heaven Sent (Dory). They are SBIS CH Sirae` Creme' De La Creme' (De La), SBIS Sirae` In A Flash (Flash Gordon) and SBIS Sirae` Chrome Crusier (Harley-D). I have been so fortunate to have been able to work with some wonderful knowledgeable breeders and allowed to play a part in the future of this Breed, Their contributions to my breeding program have been a cornerstone for me. Their wonderful dogs, CH Sharja Second Seduction, MSBIS CH Gabriel's Rare Bear JC, MSBIS CH Sura's Hollywood Nights JC, and MSBIS CH Jovan Cruise Control were all instrumental and contributors to the Afghan Hounds I have in my kennel today. Another plus is I have made some wonderful lifelong friends that I will always cherish. I would like to thank the Carolina Afghan Hound Club Members for asking me to judge their Sweepstakes in 2010. It is a great honor for me to be asked and I am really looking forward to it!

Cynthia Byington
Afghans Of Sirae`

SATURDAY JUDGE

SANDY FREI

Sandy was born into the dog show world, and teamed with her mother Virginia Withington in the late 60s to make Stormhill one of the top Afghan kennels in the world!

As a breeder-owner handler, Sandy showed CH. Stormhill's Who's Zoomin Who to #1 Afghan in 1989, retiring her as the top-winning Afghan bitch of all time. She also handled two national specialty winners – CH. Panjhet of Stormhill (1973) and CH. Calais Sunrise at Stormhill (1999) and numerous other dogs of hers and her mother's breeding to Specialty, Group and Best in Show wins. Most recently, she showed Multi-Group Winning and Multi-SBIS AM & CAN CH. Stormhill's Spit N' Polished (Pollymia).

Sandy has been licensed by the AKC since 1981 to judge Afghan Hounds and in 1997 received regular status to judge Whippets and Junior Showmanship. She has achieved the rare accomplishment of handling two homebred AHCA National Specialty winners and judging Best in Show at the National in 1986 and 2002. Aside from judging many Afghan specialties and at prestigious all breed shows in the United States, she also had the privilege of judging in many different countries around the world – Australia, Canada, Denmark, Norway, Sweden, Finland, Italy, Germany, United Kingdom, France and New Zealand. In 1998, she had the honor of judging Afghan Hounds and Whippets at the prestigious Westminster Kennel Club show. She has also judged whippets at the Northern California Whippet Club specialty, at the Hound show in Southern California and the Canadian Whippet National specialty show.

Today she keeps busy breeding, exhibiting, judging and various projects for clubs of which she is a member. She just recently became involved with the Reading with Rover program with CH. Stormhill's Look N' Good in Red (Carson).

Sandy is vice president of the Evergreen Afghan Hound Club, vice president of the Western Washington Hound Association, a member of the Seattle Kennel Club, Afghan Hound Club of America, Morris and Essex Kennel Club and Dog Judges Association of America.

Kent Delaney

SUNDAY JUDGE

KENT DELANEY

Mr. Delaney began judging Novice Obedience in 1966 and now judges all Obedience classes. In 1974, he added conformation judging, starting with Afghan Hounds and now judges all Hound breeds, all Toy breeds and all of the Non-Sporting breeds. In addition, he is approved to judge Jr. Showmanship and Best in Show. Kent has judged many prestigious Obedience and Breed assignments, including many national specialty shows, throughout all 50 states as well as several foreign countries. He is Obedience Chairman of the Lake Shore Kennel Club and a lifetime member of the South Side All-Breed Dog Training Club, a member of the Afghan Hound Club of America and the International Kennel Club of Chicago. In 2001, he judged the Hound Group at the Westminster Kennel Club show and several breeds at the AKC/Eukanuba American Dog Classic. In 2002, he judged Obedience at the AKC/Eukanuba Obedience Invitational, making him the only person to judge both Breed and Obedience at the AKC/Eukanuba Invitational events. Also, in 2002, he received the AKC Lifetime Achievement Award for Obedience.

This marks the fourth time Kent has judged the Obedience classes at the Afghan Hound National. He judged the bitch classes at the 1988 National in Atlanta. Kent is the only person in the history of the parent club to have judged both breed and Obedience at the Afghan Hound National.

SUNDAY SWEEPSTAKES JUDGE

ANNA STROMBERG

I was more or less forced to love afghans since they have been in my family since I was a very small child. Growing up in Sweden I attended shows and obedience school with my family dogs whom the first one was of German lines and the rest came from Christina Jernberg's El Khyria kennel. I was not allowed into the ring for regular classes until I turned 13 but showed in Juniors from age 6.

Our family collaborated with Christina and many El Khyria litters were born in our home. We owned Int. Ch. El Khyria's Rag a Muffin among others and with her I won my first Group and Best in Show placement. My sister felt like hair was not for her and incorporated Whippets to our family. Our first one came from Catharina Ostrings Gardsjon's kennels. We have also owned and showed a Greyhound. Saluki is the other sighthound breed that have been very close to our family through conformation though we never have had one live with us. We had the top round track whippet and straight racing has always been a part time for our dogs.

I went to work at Grandeur Kennels in 1993 and after 12 years of active campaigning for the Rechlers along side Michael Canalizo and the incomparable Tryst among others, I ventured to Dog News the weekly dog publication. After 2 years and an engagement later I moved away from Long Island with my now husband Ben and our dogs to Westchester County where we currently live and work. I am a full time groomer and I teach conformation classes. On the weekends we show our dogs and currently our Whippet and our Giant Schnauzer bitch. I am involved in an all breed club and in a specialty club - AHALI. We continuously participate in rescue work for all our breeds. We share our home with 3 Scandinavian born Afghans, a Grandeur boy, our Whippet and our pair of Giant Schnauzers.

I have co breed afghans and salukis and I am currently involved with Ramon Podesta of von Haussman kennels in Chile exhibiting his Afghans in the US.

Again - I would like to thank the club for this opportunity
.Anna Stromberg

AKC Code of Sportsmanship

PREPARE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

LEGS: Forelegs are straight and strong with great length between elbow and pastern, elbows well held in, forefeet large in both length and width, toes well arched, feet covered with long thick hair, fine in texture, pasterns long and straight, pads of feet unusually large and well down to the ground. Shoulders have plenty of angulation so that the legs are well set underneath the dog. Too much straightness of the shoulder causes the dog to break down in the pasterns, and this is a serious fault. All four feet of the Afghan Hound are in line with the body turning neither in or out. The hind feet are broad and of good length, the toes arched and covered with long, thick hair. Hindquarters powerful and well muscled, with great length between hip and hock. Hocks are well let down, good angulation of both stifle and hock, slightly bowed from hock to crotch. **FAULTS:** Front or back feet thrown outward or inward, pads of the feet not thick enough, or feet too small, or any other evidence of weakness in feet, weak or broken down pasterns, too straight in the stifle, too long in the hock.

COAT: Hindquarters, flanks, ribs, forequarters and legs well covered with thick, silky hair, very fine in texture, ears and all four feet well feathered, from in front of the shoulders and also backwards from along the saddle from the flanks and ribs upwards, the hair is short and close, forming a smooth back in mature dogs. This is a traditional characteristic of the Afghan Hound. The Afghan Hound is shown in its natural state, the coat is not clipped or trimmed, the head is surmounted (in the full sense of the word), with a topknot of long, silky hair which is also an outstanding characteristic of the Afghan Hound. Showing of short hair on cuffs on either front or back legs is permissible. **FAULTS:** Lack of shorthaired saddle on mature dogs.

HEIGHT: Dogs, 27 inches, plus or minus one inch; bitches, 25 inches, plus or minus one inch.

WEIGHT: Dogs about 60 pounds; bitches about 50 pounds.

COLOR: All colors are permissible, but color or color combinations are pleasing, white markings, especially on the head are undesirable.

GAIT: When running free, the Afghan Hound moves at a gallop, showing great elasticity and spring in his smooth, powerful stride. When on a loose lead, the Afghan can trot at a fast pace, stepping along, he has the appearance of placing the hind feet directly in the footprints of the front feet, both thrown straight ahead moving with head and tail high, the whole appearance of the Afghan Hound is one of great style and beauty.

TEMPERAMENT: Aloof and dignified, yet gay. **FAULTS:** Sharpness or shyness.

Adopted by the American Kennel Club on September 14, 1948
